Fire Truck Rides

Memorial Day thru Labor Day

Fire truck rides are provided Memorial Day Weekend through Labor Day Weekend. The rides load up in front of the store usually at 3:00 p.m. on Saturday afternoons. The rides will be announced over the loud speaker system so be sure to listen if there is any time changes.

The ride costs \$1.00 per person. Half of the monies collected get donated to Cancer and the other half we use for gas and maintenance of the Fire Truck.
